SNOWCAP IS A PHILANTHROPIC ORGANIZATION CREATED TO PROVIDE FOOD, CLOTHES, ADVOCACY, AND OTHER SERVICES FOR THE POOR.

## The Most Wonderful Time of the Year

The holiday season is upon us, which includes all the hustle and bustle that comes along with it. When you get busy, it's easy to convince yourself that you just don't have any time left over for making a difference. However, nothing could be further from the truth. Volunteering at SnowCap takes only as much time as you feel comfortable giving.

Even while serving his second term for Oregon House District 49, Representative Chris Gorsek still finds time in his incredibly busy schedule to volunteer for SnowCap, and help his neighbors in need. Representative Gorsek volunteers on Martin Luther King Junior Day, Christmas, as well as the occasional Saturday.

So during the holidays, don't forget to set aside a little time to volunteer. Helping others is the quickest way to capture the true spirit of the season, and SnowCap has a wealth of opportunities for even the busiest person. For a complete list of current volunteer opportunities, please visit our website at [www.snowcap.org](http://www.snowcap.org).

## Fill-A-Bag

Fill-a-Bag has become the largest annual food drive that SnowCap is blessed to benefit from. Bess Wills (Gresham Ford) and Larry Schwartz (Riverview Bank) lead many businesses and the community in this outstanding event.

Fill-a-Bag has not only provided much-needed donations of food and cash that keep SnowCap's pantry stocked, it raises awareness of hunger in East County and builds community. The 2015 Fill-a-Bag campaign kicked off with a bag folding party in early November where volunteers came together at Gresham Ford to stuff the collection bags into copies of the Gresham Outlook. Participants include students at the local high schools, employees at the City of Gresham, service clubs and businesses of all sizes. You are encouraged to go to [www.snowcap.org](http://www.snowcap.org) and click on the Fill-a-Bag button to contribute or bring canned food donations to these Fill-a-Bag sites (more are being added daily, see <https://www.facebook.com/fillabag2015/?ref=hl> for the full list):

## Food for the Holidays

Food means more at Thanksgiving, Christmas, even New Year's. At these special times of the year, food isn't just nutrition and a source of energy to get through the day. Food brings people together, family and friends who may have drifted apart. In this sense, food is one of those things that can actually strengthen relationships. It sets the stage for peacemaking between people by bringing them to the table together. And after dinner it promotes that feeling of general peace and wellness that encourages hope and health.

So this year, we ask that you consider the foods you choose to donate for the holidays. Thanks to the Oregon Food Bank, we have surprisingly large quantities of produce (cabbage, onions, potatoes, etc.) However, what we really need are the meats and condiments or extras that we all hope to see on the holiday table. Instead of giving lots of canned vegetables, please consider a turkey or even bottles of ketchup. Ham, Jell-O, horseradish sauce, coffee and tea are much appreciated holiday foods. Help us fill the holiday tables of people whose jobs don't always pay enough for necessities, let alone these little luxuries.

Food donations are gratefully received weekdays, 9-3 at 17788 SE Pine. Thanks for helping build strong families in small but practical ways.

## Those Important Extras

SnowCap serves culturally diverse clients each month and provides them with good nutritious food. It's also SnowCap's desire to offer clients more than just the basics—the extras that many of us take for granted. Perhaps jams or jellies to go with peanut butter, or mayo to mix with a can of tuna, or catsup for added flavor, etc. Spices are also a great extra and give clients the ability to prepare food using spices based on their cultural preferences. Unfortunately, SnowCap has no room in the budget for these “extras.” Next time you go out for a fast food meal and receive condiment packets, think about passing the extras onto SnowCap. And, if possible, when you are grocery shopping, pick up an extra jar or two of condiments or spices to donate to SnowCap. Remember, everything you donate is tax deductible.

# Link2Feed Database Update

The Link2Feed pilot program is now over. This Oregon Food Bank database enables SnowCap to capture information about our clients that, we hope, will enable us to serve them more fully in the future. Clients and volunteers, both, are embracing the new database. The face to face time with the clients lets them know that we are listening to their concerns and helping the best we can with food, clothes and referrals.

The volunteers have stepped up to the plate and are now able to enter the client data while the client is still at the desk, asking for any needed clarification. We have a wonderful group of volunteers and we are very grateful for their support.

Through this process we are learning a great deal about our clients. For example, we know that 401 two-person households, 139 seven-person families, and 1 thirteen-person family visited our pantry in September. There are numerous numbers and facts we can get to help us better serve our clients.

We are looking forward to using the information we collect to provide more complete service in the future and are thankful for all those who have helped with the pilot program.
