Ways to Help SnowCap Stay Strong and Respond to this Crisis!

Make a financial gift - your one-time or monthly gift will be put to work ensuring that SnowCap has the resources to meet the extraordinary needs our community faces.

Include SnowCap in response funding plans - if your workplace, church, or service club has a COVID-19 response fund or if you are affiliated with a foundation or grant making organization, please talk with them about SnowCap or email info@snowcap.org to connect us.

Add your name to our volunteer list - send an email to nate@snowcap.org. Current opportunities are suited for healthy adults who can stand for 2-4 hours, bend and lift 25lbs repeatedly in the warehouse. Don't be discouraged, we will need volunteers of ALL abilities as soon as this crisis passes.

Please hold on to clothing donations until social distancing is no longer needed.

A Word About Clothing Donations

Please hold on to clothing donations until social distancing is no longer needed. We are unable to distribute most clothing during this time, but your clothing items will be greatly needed once the clothing program re-opens. There simply is no room in our facility.

Thank you for understanding.

*"During this unprecedented time, I am fortunate to be able to work from home. I hope this helps. Be well and thank you for all you do!"
