Who is the Typical SnowCap Client?

This is a question I am frequently asked. Answer: there is no such thing as a typical client or a typical day here at SnowCap!

One of the best parts of my day is watching how our volunteers not only serve all clients with kindness and respect, but how they **truly delight** in exceeding expectations, and go above and beyond.

A phrase that can often be heard here at SnowCap is that when in doubt...err on the side of generosity.

Here is an example of what making East County a kinder place looks like here at SnowCap:

Last week, a client named Grover stole the hearts of the clothing room crew. Grover is an older gentleman who really needed some clothes. When asked if there was anything specific he needed, he confided that nearly all of his clothing was worn beyond repair and that his “underpants and socks are practically disintegrated!”. With that, the volunteers sprang into action and made sure Grover was fully supplied. I’m not sure who was happier, the volunteers or their new friend.

I have included a list in this newsletter of ways to connect with SnowCap and continue our tradition of kindness this spring. There are events to mark on your calendar, volunteer opportunities and items that are in particularly short supply.

Thank you for making giving back a part of your spring routine!

Spring into action

Spring has officially arrived, and what better way to kick off the new season, than by helping your community and neighbors through volunteering!

Here is a list of the volunteer spots at SnowCap that could use some more help:

Monday Evenings- ALL POSITIONS (5:45pm-8:15pm)

Monday and Tuesday Clothing Associates (9:45am to 2pm)

Tuesday Client Service Interviewer (9:30am to 2pm)

Wednesday Pantry Shopper (9:45am to 2:15pm)

Thursday and Friday Clothing Sorters (10am to 2pm)

While we can certainly use some new volunteers for our shopping-style pantry, clothing room and client services office during the daytime, SnowCap is also seeking out a few more folks to join our Monday evening pantry crews, from 6pm to 8pm every Monday! These evening opportunities are perfect for someone who wants to volunteer, but doesn't have the ability to commit to a daytime schedule.

For these, or other current volunteer opportunities, please contact nate@snowcap.org

"They are generous giving you food for your family they don't judge you or degrade you the people working there are awesome"- Liz

"Very kind and loving group of people that work together. Felt no type of judgment."-Jeana

Auction Raises over \$150,000 for SnowCap!

Thank you to all who sponsored, donated, volunteered and attended our annual auction this past March 17th.

The record-breaking amount that was raised makes it possible for us to continue to be a stable source of help for our neighbors when times are tough. The most exciting part of the event was the response to the special appeal when we asked for support to not only continue having extra hours on Wednesday evenings, but added Monday evenings from 6pm-8pm as well.

These extra hours make all the difference for those who work 9-5 but still need help making ends meet, or do not have transportation to SnowCap during the day. We thank you from the bottom of our hearts.
