Student Success Wish List

Back to School time looks a lot different than last year. Will you help?

- Over the ear headphones with microphone - These make it possible for multiple children to learn in smaller spaces, especially when parents are also working from home. While students do not need high-end headphones, good quality does help make sure they last and do not cut out.

- Filler paper - college and wide rule paper.

- #2 Pencils - Ticonderoga please!

- Pencil sharpeners

- Crayons

- Composition notebooks - wide and college rule

- Dry erase markers

- Scissors - pointed

Two ways to give:

1. Visit SnowCap.org & click back to school to send a contribution that will be used to bulk-purchase needed items for students. You don’t even have to leave the house!

2. Bring items to SnowCap's donation center
   Monday-Friday from 9am-3pm
   17788 SE Pine St, 97233

With school starting a bit later this year, we will be collecting items through September 1st!

*Teachers remind us that quality for some items (like pencils and headphones) really matter.
